

HOW TO CARVE A PINEAPPLE FOR HALLOWEEN!

What you're going to need:

- A Del Monte pineapple
- A cutting board
- Two knives (a large one and a small one)
- Pineapple corer
- Paper towels
- Flameless candle

Method

1. Carefully cut the top off the pineapple.
2. Core the pineapple, using the corer.
3. Drain the juice out into a bowl or glass and save it for a tropical cocktail later on!
4. Carefully remove the pineapple core at its base, using the small knife.
5. Pat the inside dry with paper towels.
6. Cut two triangles for eyes and cut the mouth.
7. Light it up by inserting the candle, and put the top back on your pineapple.
